where no proper accommodation is available and suggested, at the instance of the District Judge Mysore, that a beginning might be made in the case of the Munsiffs of Seringapatam, Hole-Narsipur and Nanjangud. The question was considered in consultation with the Chief Engineer and the Financial Secretary, and it was decided that Govt could not afford to provide official quarters at their cost except in very exceptional cases in which suitable buildings were absolutely unavailable, and were not likely to be built by private persons for being rented out. The Chief Court was requested to report if any such cases existed, and if those referred to above, were of such a nature. The present reference is made in reply to the above query.

D.O. letter dated 28-6-1911, from the Munsiff of Holenarasipur, to the District Judge, Mysore.

I cannot find words to describe the difficulty that I feel here for suitable habitation.

There are two old styled and damp and spacious houses in the fort and these are occupied by the Amildar and the Taluk Sheristedar. In the outer fort, there is a house of one K.Raghavendra Char, a rich Sowcar of this ~~pet~~ place. He seems to have Civil cases occasionally in our court. About 8 years ago, one of my predecessors had occupied this house with the previous sanction of the District Judge. Barring these houses, there is not a single house worth the name in this place.

Close to the Travellers' Bungalow, there is a small Overseer's Lodge which was once used as the D.P.W. Overseer's office, when the latter had its Head Quarters here. Ever since the Head Quarters of this office was removed to Channarayapatna, this lodge has been kept vacant all the year round except for 2 months when the D.P.W. Officer in charge of the Channel occupies it temporarily. This building is almost close to my Court and is isolated and situated in a high level. There are two small out-houses attached to this building. If they are touched up a little the lodge will be a convenient and small building suited to me. You will be conferring a boon upon me and my successors if you can kindly secure the said lodge as Munsiff's Quarters either permanently or temporarily till a new one is built. I shall be glad to pay whatever rent the D.P.W. pleases to fix for it. The sooner the arrangements is made the better for me.

Mr. P.Mahadevayya had made a reference for lodging for Munsiffs to the District Judge in this office No. 327 dated 30-4-1910. The District Judge was kind enough to recommend the same to Chief Court. In May 1910, the Hon'ble the Chief Judge

I respectfully pray you will kindly urge the question once more and see that Government Quarters are provided to Munsiffs here in the immediate future. A suitable and neat building can be run up within our Court Compound. At present I am occupying a dismal house in a dirty Weaver's lane surrounded on all sides with cess pools which breed musquitoes in numbers to prey upon the inmates of my house at nights. The want of a suitable accommodation mars the pleasure of a transfer to me from Malnad parts where the health of myself and my family and children was very much impaired. Since I came here the new climate has affected me and my family a little bit. We hope to get over the malnad taint very soon.
